Re: Jennifer McMorrow v Astrue 07 Civ. 8436(DC)

Honorable Sir,

I am in receipt of the Defendant's Answer and the Administrative Transcript in the above matter, a claim for Waiver of an overpayment of Social Security Disability benefits. I have discussed this with the Assistant United States Attorney and, subject to the Court's approval, we have agreed upon the following briefing schedule:

Plaintiff's Motion for Judgment on the Pleadings and Memo of Law	March 14, 2008
Defendant's Cross motion and Memo due	April 11, 2008
Plaintiff's Reply Memo (optional) due	April 25, 2008

All motions would be on submission, with no oral arguments unless directed otherwise by the Court.

Please advise the parties if this is acceptable.

Respectfully submitted,

Lewis B. Insler
